

Public Now Prefers Vegetable Laxatives

Dr. Caldwell's Syrup Pepsin affords prompt relief in a natural way

The public is constantly becoming more discriminating in its choice of things. Those subject to constipation try to learn what makes them constipated, and then avoid it. If constipation persists in spite of all their efforts they take the mildest, most easily tolerated laxative obtainable, and not a drastic physic that upsets them for days afterwards. As over 10 million bottles of Dr. Caldwell's Syrup Pepsin are sold a year, a large proportion of the people of this country must believe that this mild vegetable compound is the proper remedy for them, and so it is. No need to take salt waters and powders that dry up the blood; cool-tar drugs in candy form that produce skin eruptions, or calomel that salivates. These drugs are "heroic measures", over-effective, weakening and gripping.

The best constipation remedy is the one that moves the bowels without shock to your system, and such a one is Dr. Caldwell's Syrup Pepsin. It is a vegetable

ANY FAMILY MAY TRY IT FREE

Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone in the family can use when constipated?" I urge you to try Syrup Pepsin. I will gladly provide a liberal free sample bottle, sufficient for an adequate test. Write me where to send it. Address Dr. W. H. Caldwell, 515 Washington St., Monticello, Illinois. Do it now!

compound of Egyptian senna and pepsin with pleasant-tasting aromatics, and has been satisfactorily sold for 30 years. Unlike the harsher physics it does not produce a habit, and increased doses are not required; in fact, it so trains the stomach muscles that in time medicines of all kinds can be dispensed with. Many take a teaspoonful of Syrup Pepsin once a week as a health safeguard. Others use it only when required, as, for example, Mrs. J. W. Burroughs of Little Rock, Ark., who finds it equally valuable for herself and the children. Mrs. E. S. Costa of Watsonville, Cal., whose family uses it regularly. Try Dr. Caldwell's Syrup Pepsin in constipation, biliousness, piles, headaches, sallow complexion, and to break up fevers and colds. A generous-size bottle can be had at any drug store, and it costs only about a cent a dose!

"CASCARETS" FOR BOWELS

When Sick, Bilious, Headachy, Constipated, for Sour Stomach, Gases, Bad Breath, Colds

Your bowels may seem regular—move every day—yet your thirty feet of bowels may be lined with poisonous waste which is being sucked into your blood, keeping you half sick, nervous, despondent and upset. Whether you have headache, colds, sour stomach, indigestion, or heart palpitation, it is usually from bowel poison.

Hurry! One or two Cascarets tonight will clean your bowels right. By morning all the constipation poison and sour bile will move out—thoroughly! Cascarets will not sicken you—they physic fully, but never gripe or inconvenience. Children love Cascarets too. 10 cent boxes, also 25 and 50 cent sizes. Any drug store.—adv.

WILLIAMSTOWN

Williamstown Congregational church services Sunday at 10:45. This will be a service of Thanksgiving. The president and the governor invite the people to give thanks to God for the bountiful harvest and other blessings. This request will be observed Sunday instead of Thursday. Therefore, let every farmer and citizen respond to this privilege and duty. Sunday school at 12 m. Union service at 7:30. The first half-hour will be a song service in charge of Mr. Outland. A hearty sing is a good tonic for mind and body. Everybody welcome.

The high school quintet played its first game Wednesday evening in the town hall, scoring a 26 to 20 victory over the Gypsy Five. The team has been working hard for the past two weeks getting in shape for the game to be played Friday night against the town team. About twenty candidates have reported for practicing every afternoon and as a result the team displayed a fine passing game. Only six of the boys took part, due to the closeness of the score throughout but it is not known at present who the regular five will be. Captain Bruce, who got six baskets from the floor and scored six points out of eight tries on free throws, will play right forward. Co-

vell, playing left forward, played a strong defensive game and scored six points. Waldo at center was able to out jump his opponent nearly every time and was successful in firing through the iron ring once. Ralph and Earle Whitney showed up well as guards as did Molinari, who replaced the latter in the final period. Young was the big gun for the Gypsies, scoring fourteen of their twenty points, besides breaking up many of the high school formations. The material looks

exceptionally good for a strong high school team and it is hoped that the efforts of the boys will be rewarded by large turnouts at their games. The schedule is incomplete, but Manager Corvelli expects to be able to announce the dates of at least ten games within a short time. Practice for the girls' team began this week and from all appearances the material is equally as good as that of the boys. They expect to play several games during the winter.
